

RECHARGEABLE HEAVY-DUTY LED WORKLIGHT

DURABLE

BRIGHT WHITE LIGHT

LONG-LASTING

Our heavy-duty Lumenex™ construction applied to a rechargeable work light. Virtually indestructible polycarbonate housing makes this a light that can take some abuse. Operates as a work light (Eight 0.5W LEDs on the side) and as a flashlight (One 1W LED on the end). Battery will last up to five hours on a full charge, and will recharge in four hours. Constant light output throughout entire life of battery.

LED1425C

- + Array Size: Eight 0.5W LEDs on side, One 1W LED on end
