

LIND EQUIPMENT

WORK CONFIDENTLY.

RECHARGEABLE LED WORKLIGHT

DURABLE

BRIGHT WHITE LIGHT

LONG-LASTING

Lind's cordless, rechargeable LED work light provides the portability of a cordless light combined with the durability, efficiency, and long life associated with the latest LED technology.

Features a dual stage switch that provides two levels of brightness and long running batteries which stay lit for up to 3-4 hours on high brightness and 7-8 hours on low brightness. The LED lamps last up to 100,000 hours.
