

Deadman Reel - 100'

Heavy duty automatic retracting cable reel with adjustable guide arm. Made from heavy duty powder coated steel with rolled edges and ribbed disks for greater durability. Latching mechanism allows the cord to be extended and locked at desired length. This reel utilizes 100 feet of 16 gauge SJO cable and includes a 5' input cable with stripped end.

Reel Dimensions:

- Length: 23"
- Height: 25 1/4"
- Width: 9 3/4"
- Weight: 73 lbs with cable

Compact Deadman Handle

- Weighs only 6 ounces
- Durable polypropylene housing with aluminum trigger.
- Small enough to fit into coat pocket in cold climates.
- O-ring sealed to be completely weatherproof.
- Can be hung on the trigger for convenient storage.
