

Deadman Reel - 50'

Heavy duty automatic retracting cable reel with adjustable guide arm allows for easy mounting. Made from heavy grade reparable components for longer life even under heavy usage. The positive latching mechanism allows the cord to be extended to any length and the adjustable ball stop allows for easy height adjustment. This reel utilizes 50 feet of 18/2 SJ00W cable and includes a 3 ft. input cable with stripped end.

Reel Dimensions:

- Length: 12 5/8"
- Height: 13 1/4"
- Width: 9 3/8"
- Weight: 45 lbs with cable

Compact Deadman Handle

- Weighs only 6 ounces
- Durable polypropylene housing with aluminum trigger.
- Small enough to fit into coat pocket in cold climates.
- O-ring sealed to be completely weatherproof.
- Can be hung on the trigger for convenient storage.
