WORK CONFIDENTLY.

30W BEACON LIGHT

INDUSTRIAL • PORTABLE • LED • FLOODLIGHT

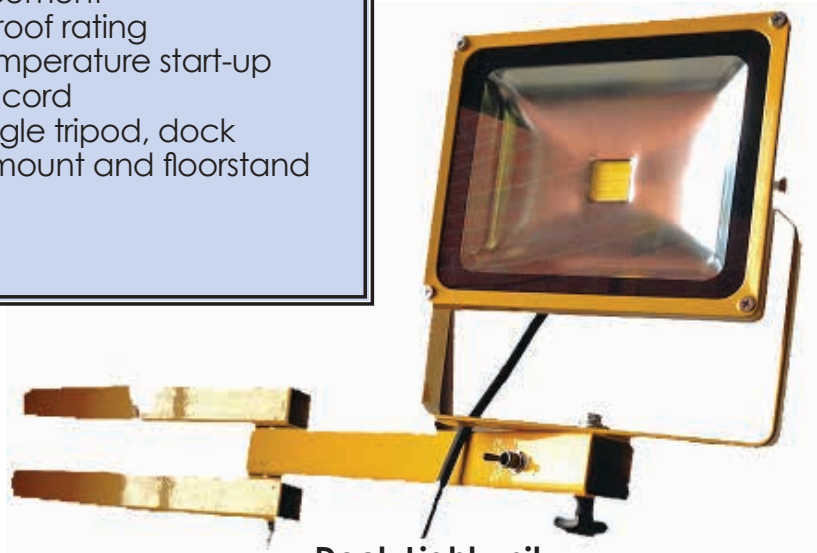

The Beacon light family continues to grow with the latest release of the 30W LED floodlight suitable for the toughest environments. The 30W Beacon projects a wide, shadow-free flood of crisp white light generated via a 30W LED integrated chip, which is solid state construction and can therefore endure shocks, vibrations and rough handling without breaking the LEDs. The high quality LEDs are rated for over 50,000 hours, meaning you never have to change a bulb. The 30W Beacon Light can be mounted in numerous configurations making it ideal for applications such as: dock lighting, warehouse applications, signage lighting, general construction and maintenance vehicles.

30W BEACON LIGHT FEATURES

- Brighter than 250W quartz halogen
- Low energy usage (only 30W)
- No bulb replacement
- IP65 weatherproof rating
- Instant cold temperature start-up
- 15' 18/3 SJOW cord
- Available in single tripod, dock light, magnet mount and floorstand versions
