

# LIND EQUIPMENT

WORK CONFIDENTLY.

## THE BEACON LIGHT

INDUSTRIAL • PORTABLE • LED • FLOODLIGHT

The Beacon Light is a super bright 50W LED floodlight designed for the toughest locations. Using the newest LED technology, the Beacon Light puts out the same amount of usable light on your work site as a 500W quartz halogen, but is cool running and uses 90% less energy. A first of its kind, the Beacon Light projects a wide, shadow-free flood of crisp white light generated via a 50W LED integrated chip, which is solid state construction and can therefore endure shocks, vibrations and rough handling without breaking the LEDs. The high quality LEDs are rated for over 50,000 hours, meaning you never have to change a bulb.

### BEACON LIGHT FEATURES

- As bright as a 500W quartz halogen
- Low energy usage (only 50W)
- No bulb replacement
- Weatherproof
- Instant cold temperature start-up
- 15' 18/3 SJOW cord
- Available in single tripod, dual-head tripod, magnet mount and floorstand versions

**LE970LED-TD**  
Dual-head  
Tripod unit

**LE970LED-MAG**  
Magnet mount unit

**LE970LED-FS**  
Floor stand unit

**LE970LED-TR**  
4-8' Tripod unit
