

LE97 PORTABLE POWER CENTRE

HEAVY-DUTY GFCI PROTECTED

Features

- + Ultra-rugged cast aluminum case is 1/4" thick with 1/2" thick reinforced corners to withstand abuse.
- + Integrated cast aluminum handle is easy to carry, even when gloves are worn.
- + Durable 1/4" thick polypropylene faceplates are backlit with a 25 watt lamp. This illumination makes the LE97 easy to locate and use in dark work areas.
- + Weatherproofing features include spring loaded snap covers for each receptacle and o-ring gasketing around each faceplate.
- + Inline GFCI protects against ground faults ensuring the safety of both the equipment connected to the LE97 and the individuals using it.
- + GFCI requires manual reset after each GFCI trip or power outage to prevent unmonitored equipment startup.
- + The power centre and GFCi are finished in high visibility yellow.
- + Available with 6', 25', 50' or 100' cord lengths.

Specifications

- + Dimensions: 9.25" W x 5.5" L x 8.5" H
- + Cable Type: 12/3 SJTW
- + GFCI Trip Level: 4-6mA
- + Weight (with 6' cord): 11 lb.

Part Numbers

- + LE97-15G6 - 4 duplex 5-15 15A/125V straight blade
- + LE97-15TLG6 - 4 single L5-15 15A/125V twist lock
- + LE97-20TLG6 - 4 single L5-20 20A/125V twist lock

Substitute final digit in part number for longer cord lengths (25, 50 or 100 available)
