

AMERICAN LIGHTING
BRIGHT IDEAS • INNOVATIVE SOLUTIONS

Founded in 1989, American Lighting, Inc. manufactures a wide range of lighting solutions for your residential, commercial and specialty lighting needs. (Alberta & Saskatchewan)

Made in Canada quality electrical and electronic enclosures and accessories at the most competitive prices, shortest delivery time and qualified after sales services.

Cyclone Range Hoods Inc. is a proudly Canadian company. We are a range hood and exhaust fan manufacturer with luxurious stainless steel canopy and island fans. We specialize in ventilation and home improvement. Nothing gets rid of airborne contaminants, grease, and odours like a Cyclone. Quality engineered, stylish and quiet, the fusion of performance and design. Since 1991. (Alberta & Saskatchewan)

Standard Lamp Products (All types and sizes). **LED Lamps and Fixtures** Latest chipset generation, Wall packs, High Bays, Cobra Heads & Post top lighting. (Alberta & Saskatchewan)

Providing custom products for special “sensitive” applications, such as extra quiet, lowest temperature rise, low impedance, smallest footprint, etc. All transformers are manufactured in our factories in North America. Marcus Transformer models meet the following agency standards (where applicable): UL, CSA, CUL, CE.

With over 30 years of lighting experience, NDR is a manufacturer of RECESSED LIGHTING products and UNDER CABINET products. And now security outdoor light fixtures.

In addition to its twenty different formulations of pulling lubes for every type of wire and cable imaginable, the product line includes a broad range of cleaners and other specialty chemicals. (Alberta & Saskatchewan)

Stelpro offers a unique portfolio of innovative heating for Residential, Commercial and Industrial Products, HVAC, Thermostats, Hand Dryers and Ventilation products, designed and manufactured in Canada to the highest of standards. Peak performance is complimented by optimal efficiency and striking designs, uniting all aspects of comfort.

Talon Products manufactures the eponymous Talon® cable cleats in the USA. Talon® T3 cable cleats utilize a high-strength interlocking frame that simultaneously encloses cables and a support rung. In addition to securing cables subject to axial, lateral and torsional forces, Talon® cable cleats provide strain relief for vertical cables. (Alberta & Saskatchewan)

Total Protection Solutions (TPS) is an innovative family of surge protection products, merging 50 years of power protection field experience with the leading manufacturer for industrial, commercial & residential markets.
